ABSENCE

We are very concerned about learners who are kept out of school without good reason. Please make arrangements with the class teacher in writing if your child will not be attending school for a few days. If your child is sick, a doctor's letter must be sent to school. Please don't plan holidays during school terms. **Learners who were absent, are responsible themselves to bring their work up to date.** Learners who are absent on a regular basis experience socialising problems, they struggle with school work and experience separation anxiety.

If a learner is absent for 3 days without an arrangement, the school will investigate the situation and after 10 days the CMR and the District will be notified of the situation. If a learner is absent for ten consecutive days without a valid reason such a learner will be removed from the register and have to re apply. During exams a doctor's letter must be handed in at the educator if your child is absent. Please don't fetch your child earlier from school on a regular basis. **Inform the register class teacher if your child was admitted to the hospital of if he or she is seriously ill. A learner, who is absent for 40 days or more, must repeat his or her school year.**
