We want to reward the personnel and learners for their preparation of the ANA exam (which did not take place) and because the school grounds are neat and tidy. Please make the necessarily arrangements and enjoy your long weekend.

GENERAL PARENTS MEETING:

Please take note of the General Parents Meeting that will take place on 2 November 2015 at 18:30 in the school hall. All parents are welcome to attend the meeting. During the meeting the budget of 2016 will be discussed. The budget will be available in the office from 14 October. Please make an appointment at the Finance office. The approved Year statement of 2014 will be available at the principal.

ANA TESTS:

The Annual National Assessment will not take place anymore. The learners and educators prepared well for the ANA test, but schools were prohibited to open the exam papers. Your understanding in this regard is appreciated.

VIDEO CLIPS:

We are looking for any video clips of school activities which you may have. If you have any, please send it to hoof@daniemalan.co.za or a copy on a DVD to the principal. We want to make a music video with video clips of the school for a competition. If there is anybody who can help with the compiling of the video, you can contact or email the principal.

“SPRINGBOK”- FEVER:

On Fridays the learners may dress in a Springbok jersey or any green shirt. They may wear it on Fridays for as long as the Springboks are in the World cup to show their support to the team. It is not necessary to buy a shirt. From Friday 18 September they can show that their blood is green and gold!

IMPROVEMENTS: BUILDINGS AND SCHOOL GROUNDS:

We are busy to waterproof the roofs and it will also be painted. During the holiday the girls play ground (south) will be levelled and we will plant new grass. We are busy with several projects to upgrade the school grounds. We apologize for the inconvenience. In October we will install CCTV cameras in the Foundation Phase classes and extra cameras on the terrain. Your understanding in this regard is appreciated.

GRADE 6 LEADER APPLICATION FORMS:

The Grade 6 learners will receive leader application forms, which they must complete and return to Mr. Venter before 1 October. Learners must apply to become a leader.

ABSENCE:

We are very concerned about learners who are kept out of school without good reason. Please make arrangements with the class teacher in writing if your child will not be attending school for a few days. If your child is sick, a doctor's letter must be sent to school. Please don't plan holidays during school terms.

Learners who were absent, are responsible themselves to bring their work up to date. Learners who are absent on a regular basis experience socialising problems, they struggle with school work and experience separation anxiety.

If a learner is absent for 3 days without an arrangement, the school will investigate the situation and after 10 days the CMR and the District will be notified of the situation. If a learner is absent for ten consecutive days without a valid reason such a learner will be removed from the register and have to re apply. During exams a doctor's letter must be handed in at the educator if your child is absent. Please don't fetch your child earlier from school on a regular basis. **Inform the register class teacher if your child was admitted to the hospital of if he or she is seriously ill. When a learner is absent for 40 days or more, he / she must repeat his or her school year.**

Please take note that your child must be at school until 09:30, with a valid reason, otherwise your child will be marked absent.

OWNERSHIP PROGRAM:

We need a fridge for the “Broodjie-huis” where we give porridge to our needy learners in the mornings. It can be a second-hand fridge. We also need someone who can repair our school's washing machine. If you can help, please contact or email the principal at hoof@daniemalan.co.za. This project form part of the Ownership project. Whitt this project we attempt to improve the school buildings, equipment and school grounds, and to make learners and their parents, co-owners and users of the process.
