DESS CODE:

Please take note of the following rules regarding the school uniform:

* If a learner wears a tracksuit or long grey pants they must wear

school shoes and not "tekkies".

* If your child wears shorts on a Friday he/ she may wear tekkies and the white Friday socks.

* Learners may not wear clothes underneath their school clothes if it shows.

We appreciate your co-operation in this regard.

CHILDREN WHO ARE AT SCHOOL TILL LATE:

There are children who stay at school till late. These children run around on the corridors and vandalize the school. The arrangement is that when the school comes out at 14:00, only children who practise and have remedial class may stay at the school.

Primary School learners must be supervised after school. Parents must make arrangements for their children to be fetched at school after 14:00, if they are not busy with extra-mural activities. We're going to look at the CCTV videos and all the children who plays on the corridors will be identified and the parents will be informed. Parents of these children will be held accountable for any loss or damage to school property. We appreciate your co-operation in this regard.

PARENTS WHO BULLY CHILDREN:

Take note that no parent or guardian are allowed to discipline or touch a child on school grounds. Matters that need attention should be brought under the attention of the teachers. A school must be a safe environment for children. If a parent or guardian get involved in bullying a child, steps will be taken and the parent or guardian will be prohibited from entering the school grounds. Your co-operation in this regard will be appreciated.
